Hendricks Symphony Scholarships

Hendricks Symphony is offering scholarships for talented students to play in the Hendricks Symphony Orchestra or to sing in the Hendricks Symphony Chorus.

Scholarships will be offered based upon a combination of the needs of the orchestra or chorus and the student's ability. Awards will be in a potential range of up to \$500 for high school students and up to \$1,000 for college students.

To qualify, students must be studying with a teacher who specializes in their instrument or voice no less than on a bi-weekly basis. College students must be enrolled at least on a half time basis. The maximum age for scholarships is 21 for high school and 25 for college students.

Students are expected to perform in the Hendricks Symphony Orchestra or Chorus during the season, attending a minimum of 80% of the rehearsals, all dress rehearsals, all subscription concerts, the youth concert, and the summer concert. (See orchestra or chorus schedule for dates.)

The awards will be paid in increments of \$100 for high school student per concert and \$200 for college student per concert after the completion of all requirements at the end of each concert performed.

Hendricks Symphony will accept applications throughout the year. Auditions will be scheduled as applications are received and will consist of a prepared selection, scales, and sight-reading. All awards are confidential, and the decision of the committee is final.
